

GPS Track Download for Race Replay

We are adding a GPS track upload and replay feature to the race this year. After the race upload your gps track from your smart phone or gps to the jibeset.net registration page. We will assemble all the submitted tracks and send you a link to watch the race replay.

San Francisco Bay Yacht Racing Information
Download Track Files

Download Race Track files

[Back](#)

These GPS files of the track during the race are provided in "AS IS" condition i.e. as they were received from the Racer
The Files Name = Boat Name_Race Number_time.extension (extension is as provided by the Racer)
When the boat name contain a "/" character it is replaced by "-" character i.e. jack/boat becomes jack-boat
